A Body of Technocrats
Committed to the Promotion of
Profession of Arbitration
and
Alternate Dispute Resolution.

STRIVING FOR EXCELLENCE IN ARBITRATION

Indian Institution of Technical Arbitrators

ABOUT US:-

The Indian Institution of Technical Arbitrators (IITArb) is an All-India non-profit professional body of Engineers and Architects, devoted to the popularisation of Arbitration as a speedy and cost effective method for resolution of commercial and contractual disputes. Institution imparts training to members and other professionals in various aspects of Arbitration by conducting short term courses, conferences, workshops, in-house programmes etc.; undertakes research in arbitration; provides facilities of specialised reference library to its members; undertakes Adhoc and Institutional Arbitration; and also undertakes consultancy in arbitration matters. Registered under Tamil Nādu Societies Registration Act of 1975, the Institution has its Head Quarters at Chennai with State Centres at Delhi, Hyderabad, Bengaluru, Thiruvananthapuram, Mumbai, Chennai, Kolkata and local centre at Kochi.

To disseminate such knowledge, IITArb Delhi State Centre has been organising Training programmes and technical lectures for the Techno-legal Consultants, Arbitrators and Technical professionals. IITArb DSC also regularly brings out a quarterly newsletter highlighting latest developments in this field and activities of the Centre. IITArb, Delhi State Centre has also been organising National/International conferences on topics of relevance and interest and create an interactive forum for valuable decimation of knowledge among practicing professionals in the field of Technical Arbitration relating to Commercial and Construction Disputes. A number of experts and professionals of long standing experience and repute have so far attended and shared their experience with participants in past years, and will continue, in the years to come through the auspices of IITArb, DSC.

Delhi State Centre is one of the largest Centres of the Institution. IITArb DSC geographical arc of coverage includes Delhi NCR, Uttar Pradesh, Haryana, Rajasthan, Punjab, Himachal Pradesh, Uttarakhand, and Union Territories of Chandigarh, J&K, and Ladakh.

OBJECTIVES:-

- Promotion of practicing professional Engineers, Architects in the field of Technical Arbitration and Dispute Resolution;
- To provide, facilitate, and certify training in the field of Arbitration to stakeholders in the emerging field of Technical Arbitration and Dispute Resolution;
- To carry out Research in the field of Technical Arbitration as per the need of the ever-changing macro environment;
- Networking and Knowledge dissemination among the Professional in the field of Technical Arbitration by creating and facilitating necessary Forums and Opportunities to Practicing Arbitrators;
- Promoting and expending Institutional Arbitration for enhanced Services;

- Organise Conferences/Seminars and lectures on the relevant subjects to discuss, share, and knowledge interaction among national and international experts based on the latest happenings in the field of Arbitration;
- To take up matters and Coordination with the Regulatory Authorities for timely and necessary modifications, Processes, and Procedures as the needs arise.
